
Participatory Democracy
Participatory Budgeting
Proportional Representation
Justice Reinvestment

We're building an app for that!
(and a new movement)

**If you are not
offending people who
ought to be offended,
you're doing something
wrong.**

Let the Sunshine in

NT Legislation needs a
complete accountability &
consequences overhaul.

We're the only Party with
the courage & plan to
stop NT Institutional rot.

NepoTism & mismanagementNT:

No more suffering the 2
party duopoly of failure.

**Most people agree, NT
politics needs to
Change, but into what
exactly?**

On reflection, there are
many different ways to do
politics. We have the system
we're willing to tolerate...
but what happens when the
patience runs out?

Resignation or Revolution?

Game Changer

Rocked by more and more scandal, nepotism, mismanagement, fraud, misuse of finances, racism, bullying, secret lobbyists, deliberate dysfunction and cover ups, we've decided to change The Game.

Beautiful Results

With the right kind of people doing the right kind of thing for the right side of the population, all things are possible.

We're not giving in to Resignation just yet. We have loads of fightback in us and now we have somewhere constructive to put it.
